We are honored to welcome you to our hotel. Our team has worked diligently to ensure that we are prepared for your arrival. We have and will continue to hold the highest standard for sanitation and cleanliness and are taking additional steps to ensure the safety of our guests, associates, and community. In addition to the guidance provided from the CDC, local health authorities, and Choice Hotels International, we have implemented the following sanitation practices to allow you to Stay Comfortable and to Stay Safe.

CHOICE COMMITMENT TO CLEAN

- Our staff has been re-certified in cleanliness and sanitation practices.
- All public areas and high touch points are wiped down with disinfectants on an increased frequency.
- Each room is being sanitized using an Electrostatic ULV sprayer with hospital-grade disinfectant on all carpets, curtains, upholstered chairs, beds, sofas as well as hard surfaces prior to your arrival.
- Rooms are assigned on a staggered rotation and we have increased the length of time our rooms are vacant between guests.
- Our associates complete a daily health screening prior to arrival.

Per Executive Order, a few of our hotel services are currently adjusted or unavailable. If there is anything we may do to make your stay more enjoyable, please contact us at the front desk. We appreciate your business and the opportunity to serve you.
